2025 TEMPORARY EXHIBITION
MIRROR MIRROR
CALL FOR ARTISTS

William Feeney, Forces of Nature, 2019
see below regarding the opportunity to create or recreate artwork on the airport's public piano.

The Arts Program at SAN is committed to developing equitable processes and policies for the implementation of arts programming that elevates diverse voices reflective of the San Diego region, and that supports a full creative life for all. This effort will be supported through community engagement strategies and artist selection processes that reinforce the representation of culturally diverse and underserved communities. The Arts Program will also promote equity in community access to its resources and opportunities. Selected artists will be expected to support these efforts in their practice.

Artwork and collections representing the theme will be displayed throughout the airport for up to one year beginning January 2025. Approximately 15 to 20 participating artists and/or organizations will be chosen for the exhibition. San Diego and Tijuana-based artists are strongly encouraged to apply.

San Diego International Airport's Performing Arts Program provides a unique platform to celebrate San Diego's culture and diverse talent in visual art through its annual temporary exhibition. The program supports the Airport's purpose to deliver an exceptional airport experience and extend its Good Feelings, Nonstop brand.

Southern California's renowned landscapes, light quality, and unique geographic location have long inspired creativity, drawing visionaries of industry to cities like San Diego. This convergence established the region as a hub of innovation, with fields such as aerospace, telecommunications, and biotech introducing cutting-edge production technology and providing artists access to new materials—plastics, resins, silicones, and textiles, among others. Artists explored these elements contributing to artistic movements like Light and Space. Expressing a common fascination with perspective, they advanced motifs of physical installations, geometry, optical illusion, and minimalism.

Mirror Mirror aims to showcase the contemporary resonance of perspective, materiality, light, and color, highlighting themes such as reflection and translucence. We invite artists to reimagine and reinterpret these elements, infusing fresh points of view that speak to the ever-evolving narrative of our binational region and its distinct characteristics. How do contemporary artists engage with these foundational elements? Which principles of this visual language endure today? What new technologies or materials have emerged, expanding artistic possibilities? This exhibition serves as a testament to the enduring influence of San Diego's artistic history, while celebrating the boundless creativity of contemporary artists who continue to propel our regional legacy into the future.

San Diego International Airport's Arts Program invites artists, curators, and cultural, community, or educational organizations working in all media to submit proposals that connect to the theme of Mirror Mirror. Proposals that contain existing, in-process and/or new work are welcome. All work must be completed in advance of December 2024. Installation is expected first quarter 2025. Please

Submission Requirements

1. COVER SHEET
   Contact information: name, mailing address, phone number, email address, and social media handles of participating artist(s), curator(s), or organization(s).

2. LETTER/STATEMENT OF INTEREST
   A narrative statement describing the following:
   a. The proposed artwork, collection, objects, or artifacts
   b. How the project relates to the theme of Mirror Mirror
   c. Proposed materials/media and suggested installation method
   d. Optional — Proposed site installation. See “Available Sites” section. *Priority will be given to artists or organizations interested in painting/treating the airport’s public piano. Submissions to create or recreate artwork on the airport’s public piano do not necessarily need to reflect existing work but must be in line with the theme of Mirror Mirror.
   e. Optional — Interest in facilitating a workshop at the airport. 1-2 sentences describing past experiences leading workshops and how the proposed project would lend itself to such programming. Bonus points if the workshop can be targeted to youth.

3. IMAGES
   Submit up to 10 representative images that are demonstrative of the style of work for the proposed installation.
   *Websites, links, or files will NOT be viewed as part of the review process.

   Image Specifications
   • PC-compatible files only
   • JPEG format only
   • Image resolution: 72 dpi
   • File size: Submission must not exceed 10MB

4. VIDEOS
   Submit up to three website links to video projects. Video must be housed online (YouTube, Vimeo, organization website, etc.) and must remain accessible until December 31, 2025. No download or Dropbox files will be accepted for video submissions.

5. ANNOTATED LIST
   A legend identifying each image presented in the proposal: title of work, name of the artist(s), date, medium and dimensions, dates of completion, and a brief 1-2 sentence description.

6. CREDENTIALS
   Exhibition record and biography (two pages maximum) or a one-page narrative about the organization if your proposal is on behalf of a community-based program, museum, or other agency.

7. FORMAT
   All components of your submission should be compiled into a single PDF. Applications written in English and Spanish will be accepted. Submissions in Spanish will be translated to English during review.

Email submissions to arts@san.org.

Only email submissions will be reviewed.
TERMS & CONDITIONS

This Call for Proposals is open to organizations, groups, and individuals interested in exhibiting with the Temporary Exhibitions Program at San Diego International Airport. **All media of existing or proposed new work is eligible for consideration.** Arts Program staff reserves the right to select the final location and to change installation dates based on availability, constraints, and other operational factors. Exhibitors will be required to enter into a loan agreement with the San Diego County Regional Airport Authority (Airport Authority). San Diego International Airport will promote and publicize the exhibition through various mediums, including news, web, and social media. All publicity or promotion efforts including social media related to the exhibition on the exhibitors’ part must be coordinated in conjunction with Arts Program staff.

Compensation & Exhibition Period

Exhibitors will be offered a stipend of $1,250. If chosen to lead an exhibition workshop an additional stipend will be offered. Arts Program staff provides installation assistance, design and content of object labels, signage and collateral materials, curatorial support, and promotion through San Diego International Airport’s website. Installations will be displayed for approximately one year. Installation dates vary depending on location.

Display Plans & Collaboration with Arts Program Staff

Arts Program staff reserve the right to review and approve all objects, artifacts, artwork, and other items which may be submitted as part of the exhibitors’ proposal. Additionally, staff may approve, approve with minor changes, or reject any display plan in part or in totality. If staff reasonably requests or suggests modifications or changes to the display plan, exhibitors will have the opportunity to respond with changes within the established exhibition schedule. Exhibitors who are unable to meet the established schedule may or may not be able to participate in the exhibition.

Please note that all members or artists of any collective group or organization who are contributing work as part of a group will be expected to work with Arts Program staff directly to finalize a cohesive display plan.

Liability & Insurance

A loan agreement will be executed with selected exhibitors. The Airport Authority provides property insurance for all exhibition objects while in possession of the Airport Authority. The Airport Authority will not be responsible or liable for any loss, damage, or destruction that may occur during the transportation of the exhibition objects to and from San Diego International Airport.

Transportation & Delivery

San Diego International Airport may pay for shipping to and from the airport. Details will be coordinated with the artist/organization at the time of acceptance. Shipped artwork must be packed in reusable shipping containers and shipping logistics must be coordinated through Arts Program staff.

Reproduction Rights

The Airport Authority reserves the right to photograph, film, videotape, or otherwise depict the exhibits proposed for this competition and to use such photographs, film, video, or depictions at any time thereafter for the purposes of promotion in relation to the exhibition or San Diego International Airport, provided that name recognition is given to the exhibitor(s) concurrent with such use.

Things to Remember

Incomplete or late entries will not be accepted. All entrants will be notified of the results of the selection process in a timely manner. Please do not call or email about the submission status.
